Phone: +62 895 3843 16092

Email: Sabilurrosyad06@gmail.com

A recent graduate in Information Technology, my academic achievements include a notable GPA of 3.93. Characterized by a fervent pursuit of knowledge and a penchant for overcoming challenges, academic endeavors have forged a robust foundation in technology. Eager to explore the versatile applications of this knowledge across domains, a passion for technology propels an unyielding commitment to perpetual growth and excellence.

## Experience

---

### Golang Developer Training

May 2021 - Aug 2021

- PT. Sprint Asia Technology, South Jakarta, Indonesia

Throughout a concise work tenure, fundamental proficiency in the Golang programming language was acquired, culminating in the successful development of a REST API for a local server.

### Web Developer Intern

Dec 2022 - Feb 2023

- PT. Ousean Indonesia, South Tangerang, Indonesia

Successfully developed an office website with team and utilizing Laravel for the backend, resulting in improved workflow efficiency and enhanced user experience for the entire team.

### IT Staff Freelance

Sep 2022 - Sep 2023

- PT. Selaras Eka Adyatama Rekayasa Cipta Hasta, West Jakarta

Having effectively registered and obtained a domain, as well as a professional email to meet the company's needs, conscientiously ensured the seamless operation of both components without encountering any issues.
